

Prof. Dr. Marianne Patt

Experience

- **University of Leipzig**

Nomination as Professor / Apr 2013

- **Department for Nuclear Medicine at the University Hospital Leipzig – Leipzig, Germany**

Senior Scientist and Head of Radiopharmacy Department / Mar 2001 – Present

- **Institute of Interdisciplinary Isotope Research e.V. – Leipzig, Germany**

Scientific Assistant, Post Doc / Jun 1999 – Mar 2001

- **PET-Centre of the University of Tuebingen - Tuebingen, Germany**

Scientific Assistant Nov 1992 - Jun 1999

- **Institute for Nuclear Chemistry I of the Research Centre Juelich – Juelich, Germany**

Scientific Assistant / Dec 1991 – Nov 1992

Education

- Ph. D. in Pharmaceutical Chemistry, University of Tuebingen, Germany / 1999
- Doctoral thesis at University Tuebingen, Germany
Title: „Development of ^{11}C -labelled Amphetamine-derivatives as Radiotracers for Positron-Emission-Tomography“ / 1997-1999
- Diploma thesis at the Research Centre Juelich, Germany, under supervision of: Prof. G. Stoecklin,
Title: “On the no-carrier-added (n.c.a.) ^{18}F -Labelling of Aromatic Amino Acids by Means of Fluorodediazotation“ / 1992
- Degree in chemistry (diploma), University of Cologne, Germany / 1992
- University of Cologne, Germany, study of chemistry, special subject: radio- and nuclear chemistry / 1986-1992

Audit experience

- SASAI ABX audit Dec2019
- Qualification as GMP auditor Nov 2019

- Rotem audit on behalf of a German University consortium 2017
- ABX audit on behalf of University Hospital Leipzig Jun 2016
- ABX audit on behalf of University Hospital Leipzig Aug 2005

Certifications

- Qualified Person (QP) according to both European and national (German) regulations
- Deputy Qualified Person for Pharmacovigilance (QPPV) according to both European and national (German) regulations

Membership

- Member of the European Society for Nuclear Medicine (EANM)
- Chair of the Radiopharmacy Committee of the EANM
- Chair of the SASAI working group of EARL/EANM
- Member of the German Society for Nuclear Medicine (DGN)
- Board Member of the German Society for Nuclear Medicine (DGN)
- Member of the Radiopharmacy Committee of the DGN
- Member of the Working Group of Radiopharmacy and Radiochemistry of the DGN
- Member of the steering Committee of the Working Group of Radiopharmacy and Radiochemistry of the DGN
- President of the European Symposium on Radiopharmacy and Radiopharmaceuticals - Ausrichterverein
- Member of the German Pharmacopoeia Work Group for Radiopharmaceuticals (Arzneibuchkommission Radiopharmaka des Bundesamts für Arzneimittel und Medizinprodukte, BfArM)
