# Next steps in the project

- **Prepare the workshop proceedings** capturing all the valuable feedback and input received during the productive two days here in Brussels
- Workshop proceedings will be submitted to EC in February 2024 and will be **published on the project website** following relevant review and approval procedures
  - Attendees will be notified once publicly available
- **Draft final consensus guidelines** incorporating feedback received during workshop and stakeholder consultation to be submitted to EC in February 2024
- **Tackle the actions/remedies identified as feasible to be implemented within SIMPLERAD**
- Draft final report discussed with EC and reviewers in **final project meeting**, March 2024
- **Final report with consensus guidelines to be submitted to EC in April 2024**
- Publication of guidelines and WP1 and WP2 results envisaged (details to be determined with EC)

**Closing**

**Thank you for the discussion and feedback**
